

LIBERTY PEAK PTA

# 2021 Big Horns Give-A-Thon

From November 10th to December 10th, 2021

## Calling all Big Horns, we need you!

### How can I help?

*This year we are doing a Give-A-Thon, where you, with your parent/guardian permission and support, can contact your family and friends and tell them you are on a mission to raise funds to benefit your school in many ways, like funding academic activities, providing grants for each classroom, organizing family engagement activities, like movie nights, and more.*

Incentives for you ... *Your hard work and willingness to help us out will also give you in return the chance to win one of our 2021 "proud to be a Big Horn" Shirts, with a minimum \$60 donation returned, also the chance to become the Student with the most Funds raised, which will earn you the Big Price, A Hoverboard of your own!!! And, for the Class with the most Donations brought in, a Pizza Party.*

Where Do I start? *We are sending home a Give-A Thon Envelope, where you can keep track of donors and how much you have collected, make sure All your information is clear and correct so we can accurately account your contributions. Once you have reached your goal, turn the envelope in (December 10th is the last day), teachers will be collecting envelopes and directing them to us. Thank you in advance.*

*Another way to participate is, again, with adult supervision, you can go to*  
<https://app.memberhub.gives/lpebighornsgiveathon>

*Sign up online, start sharing your own link so your family and friends have quick access to your very own donation link. Every donation counts, for the school and for you, as you earn your way to win THE BIG PRICE. Make sure you select your class properly at sign up so there's an accurate count for the pizza party too.*

*Help us Reach this year's Goal of \$15,000 and more !*
